The Yahoo! logo is displayed in a bold, purple, sans-serif font. The exclamation mark is stylized with a thick, slanted stroke. The logo is centered within a white rectangular box.

# Next steps

- Incorporate scheduling
- Implement league wide start of season draft
- Allow users to change scoring type
- Different interfaces and actions for designated “commissioner” accounts
- Ability to flag and remove score from players outside of the top 25
- Live data updates from API

# What went well?

- Figma Prototype
- Good software engineering
- Github

# What didn't go so well?

- Strong API to pull live data from
- More features for the users
- A need for more testings (unit tests, integration tests)

# Conclusion
