## PERSONAL SUMMARY

Dynamic data analytics leader with a proven track record at Old North State League, driving player development through innovative technology integration. Proficient in Python and data visualization, I excel in translating complex analytics into actionable insights, fostering collaboration among teams, and enhancing performance outcomes. Strong communicator dedicated to elevating athlete success.

## SKILLS

- Athlete performance technology
- Python programming
- R analytics
- SQL management
- Data visualization
- Java development
- Web technologies (HTML, CSS, JavaScript)
- Statistical modeling
- Predictive analytics

## EXPERIENCE

### OLD NORTH STATE LEAGUE

#### Director of Data Analytics

05/2025 to Current

- Spearhead league-wide integration of player development technologies, including ArmCare, pitchLogic, and Blast Motion, across all ONSL teams.
- Train interns and team staff on using technology tools, interpreting analytics, and communicating results to coaches and scouts.
- Collaborate with league leadership on innovation strategies to elevate the ONSL's data-driven player development approach.

### STATLER HOTEL AT CORNELL UNIVERSITY

#### Accounts Receivable Representative

07/2024 to Current

- Manage and oversee accounts receivable functions, ensuring timely and accurate processing of payments and invoices.
- Collaborate with internal departments to streamline billing processes and resolve discrepancies efficiently.
- Maintain detailed records of transactions and communicate with clients to provide updates on account statuses.

### DICK'S SPORTING GOODS

#### Sales Associate

01/2023 to Current

- Delivered knowledgeable customer service to athletes, recommending appropriate gear.
- Promoted and sold a wide range of sporting goods and apparel.
- Maintained clean and organized store displays to enhance customer experience.

### ITHACA COLLEGE

#### Teaching Assistant, Statistics

12/2023 to 05/2024

- Conducted weekly office hours and provided academic support to students.
- Collaborated with the course instructor to enhance the learning experience.
- Graded assignments and provided detailed, constructive feedback.

## EDUCATION

### B.S.: COMPUTER SCIENCE, MINOR IN DATA SCIENCE Ithaca College, Ithaca, NY
